

# Right PDF 6 Pro

## ALL-AROUND PDF PERFORMANCE FOR BUSINESS

### A New Look new

With a UI that balances rich functionality and ease of navigation, Right PDF Editor is designed to get your users started quickly.

### Enhanced Security

Choose the level of security you want for your document. In addition to password protection, you can now use Microsoft Azure Information Protection (AIP) to apply enterprise-grade protection to your PDF files.

### Supported Formats enhanced

Right PDF Converter is capable of creating PDF and converting PDF to other file types in batch, including the newly supported OpenDocument Text (.odt).

### Flexible Licensing

Apart from perpetual and subscription license, you can choose Terminal Server License (TSL) or Volume Licensing Program (VLP) for your organization, with a free 14-day trial period.

### Service and Support

Visit our online help desk, community and FAQs to get support.

#### ★★★★★ Customer Satisfaction Survey Results

92% satisfied in UI design  
94% satisfied in functionality  
92% are willing to recommend
